Public Transportation

Subway (MBTA)

The Boston Fed is easily accessible by the MBTA's Red and Silver Lines. Take the Red or Silver Line to the South Station stop. The Bank is the tall silver building located at the corner of Summer Street and Atlantic Avenue. Note: The Silver Line provides service to and from Logan International Airport.

Commuter Rail

The Boston Fed is also accessible by various commuter rail lines.

Coming into South Station:

South Station is located directly across the street from the Federal Reserve Bank of Boston. South Station has service for the following lines:

- The Attleboro/Stoughton Line
- The Fairmont Line
- The Framingham/Worcester Line
- The Franklin Line
- The Middleborough/Lakeville Line
- The Needham Line
- The Plymouth/Kingston Line

Coming into North Station:

From North Station take the inbound MBTA Green Line train to Park Street, switch to the Red Line and get off at the South Station stop. North Station has service for the following lines:

- The Fitchburg Line
- The Haverhill/Reading Line
- The Lowell Line
- The Newburyport/Rockport Line

For more information, call (617) 374-1234, or visit the MBTA's website at <http://www.mbta.com>
